'Once symbols of working ships, amazons of the sea, now reduced to sculptural objects, items of museological curiosity.' *Liz Wells*

figureheads

by Liz Nicol

In this book 'Liz Nicol presents the Figureheads series, in which the process of sponge developing photographic prints are contrasted with the land-locked images of figureheads, removed from ships to reside in museums. The works include imagery taken over a twenty year period'. *thegallerychannel.com*

paperback 243 x 287mm full colour, 170gms, 64 pages
